

About Recommended Environment

For Users' safely and comfortably using of this site, the Museum specifies the following browsers as recommended browser.

- Microsoft Internet Explorer: 8.0 or later
- Mozilla Firefox: the newest version
- Google Chrome: the newest version
- Safari: the newest version

About JavaScript and Plug-ins, etc.

This site uses JavaScript. Users should enable JavaScript when they browse and use this site. Users acknowledge that some features and functions may not work or may not display correctly if JavaScript is disabled in browser settings.

In addition, the Museum recommends users to set the security level of Internet Explorer to "Medium". About method of change the setting, PLEASE REFER TO THE "HELP" OF YOUR BROWSER.

About Access Data

The access log recorded on the server of this site may be used for better operation of this site such as the survey of usage trends (totaling up of the number of accesses, etc.). However, this does not identify an individual.

About Link to This Site and Linked Pages on This Site

Users can link to this site freely in principle. However, depending on the content of the website and the method of linking, users may be required to cancel the link. The Museum would not recommend the contents of linked webpages on this site that other groups or individuals provide or operate, and assume no responsibility.

Exclusion of Liability

Information provided on this site may be changed or deleted without any notice.

Even if any damage or loss arises from using of the information provided on or the contents of this site, the museum assumes no responsibility.

Website configuration, conditions of use, URL and content, etc. of this site may be changed or suspended without any notice. Also, operation of the website may be interrupted or terminated without any notice. The museum assumes no responsibility for any damage arises from these changes, the interruption or the termination of the operation of the website.

About copyright, etc.

The copyright and other rights of the content (including text, images, videos, music data, etc. and page designs etc. and a combination of them) posted on this site shall belong to the museum, the original author, and other right holders. Reproduction, diversion, sale reproduction, summary, modification, adaptation, upload, posting, public transmission, transmission enablement, distribution, publication, secondary using, etc. of the contents of this site without prior permission of the museum or the right holder shall be prohibited.

About Jurisdiction, Governing Law

This Policy and any guidelines, privacy policy, etc. (hereinafter "Guidelines, etc.") are governed by and construed in accordance with the Laws and regulations of Japan.

In the event of a dispute, etc. relating to This Policy and Guidelines, etc., the Kyoto District Court shall be the exclusive jurisdiction court of the first instance.

Translations of the Japanese version of This Policy shall be provided for users' convenience only. If difference or contradiction between the translation versions and the Japanese version exists, the Japanese version of This Policy shall prevail.

1. Acquisition of Personal Information

When the museum acquires and collects personal information from users, the museum clarifies the purpose and acquires it by appropriate and fair methods to the extent necessary to achieve the purpose.

2. Use of Personal Information

The museum does not handle personal information beyond the purpose of use that the museum discloses to users at the time of acquiring of personal information.

3. Provision of Personal Information to Third Party

The museum does not disclose and provide personal information to third parties without obtaining the consent of the user himself/herself; provided, however, that this shall not apply to the case where the disclose, etc. is required by laws and regulations of Japan.

4. Safety Management of Personal Information

The museum handles personal information carefully and takes necessary measures such as appropriately managing and overseeing staff and contractors for the safety management. In addition, the museum makes an effort to keep personal information accurate and up-to-date.

5. Disclosure, Correction, Suspension of Use, etc. of Personal Information

When users make request to the museum to disclose, correct or stop the use of personal information of himself/herself, the museum will respond promptly. For procedures and disclosure methods, PLEASE CONTACT THE FOLLOWING.
